- Keeps taxes reasonable and affordable.
- Operates with accountability and competence.
- Manages growth to reflect our Official Plan and the public's expectations.

"It has been a privilege to serve the people of Halton Hills. I'm realistic about the job ahead as your Mayor. I know the challenges that go with being Mayor. You're a troubleshooter, a champion of causes and an ambassador. You're a financial administrator and an advocate. You have to be a team leader and work with your fellow Councillors. To do all of this takes toughness, sound judgment and creativity. My 21 years of municipal experience will be invaluable to getting the job done."
